Heat trace cable protection kit

APPLICATION

- For heating cable protection

FEATURES AND BENEFITS

Complete system includes:

- Transition unit TEF 6073
- Adaptor for flexible conduit TEF 9178 191
- Adaptor for flexible conduit with cable gland TEF 9178 192

TECHNICAL DATA

Material flexible conduit:	Stainless steel.
Material transition unit:	Acid resistant stainless steel.
Material gasket:	silicon
Material washers:	AISI 316L
Material gland:	Brass
Material lock nut:	Brass
